

**AON**

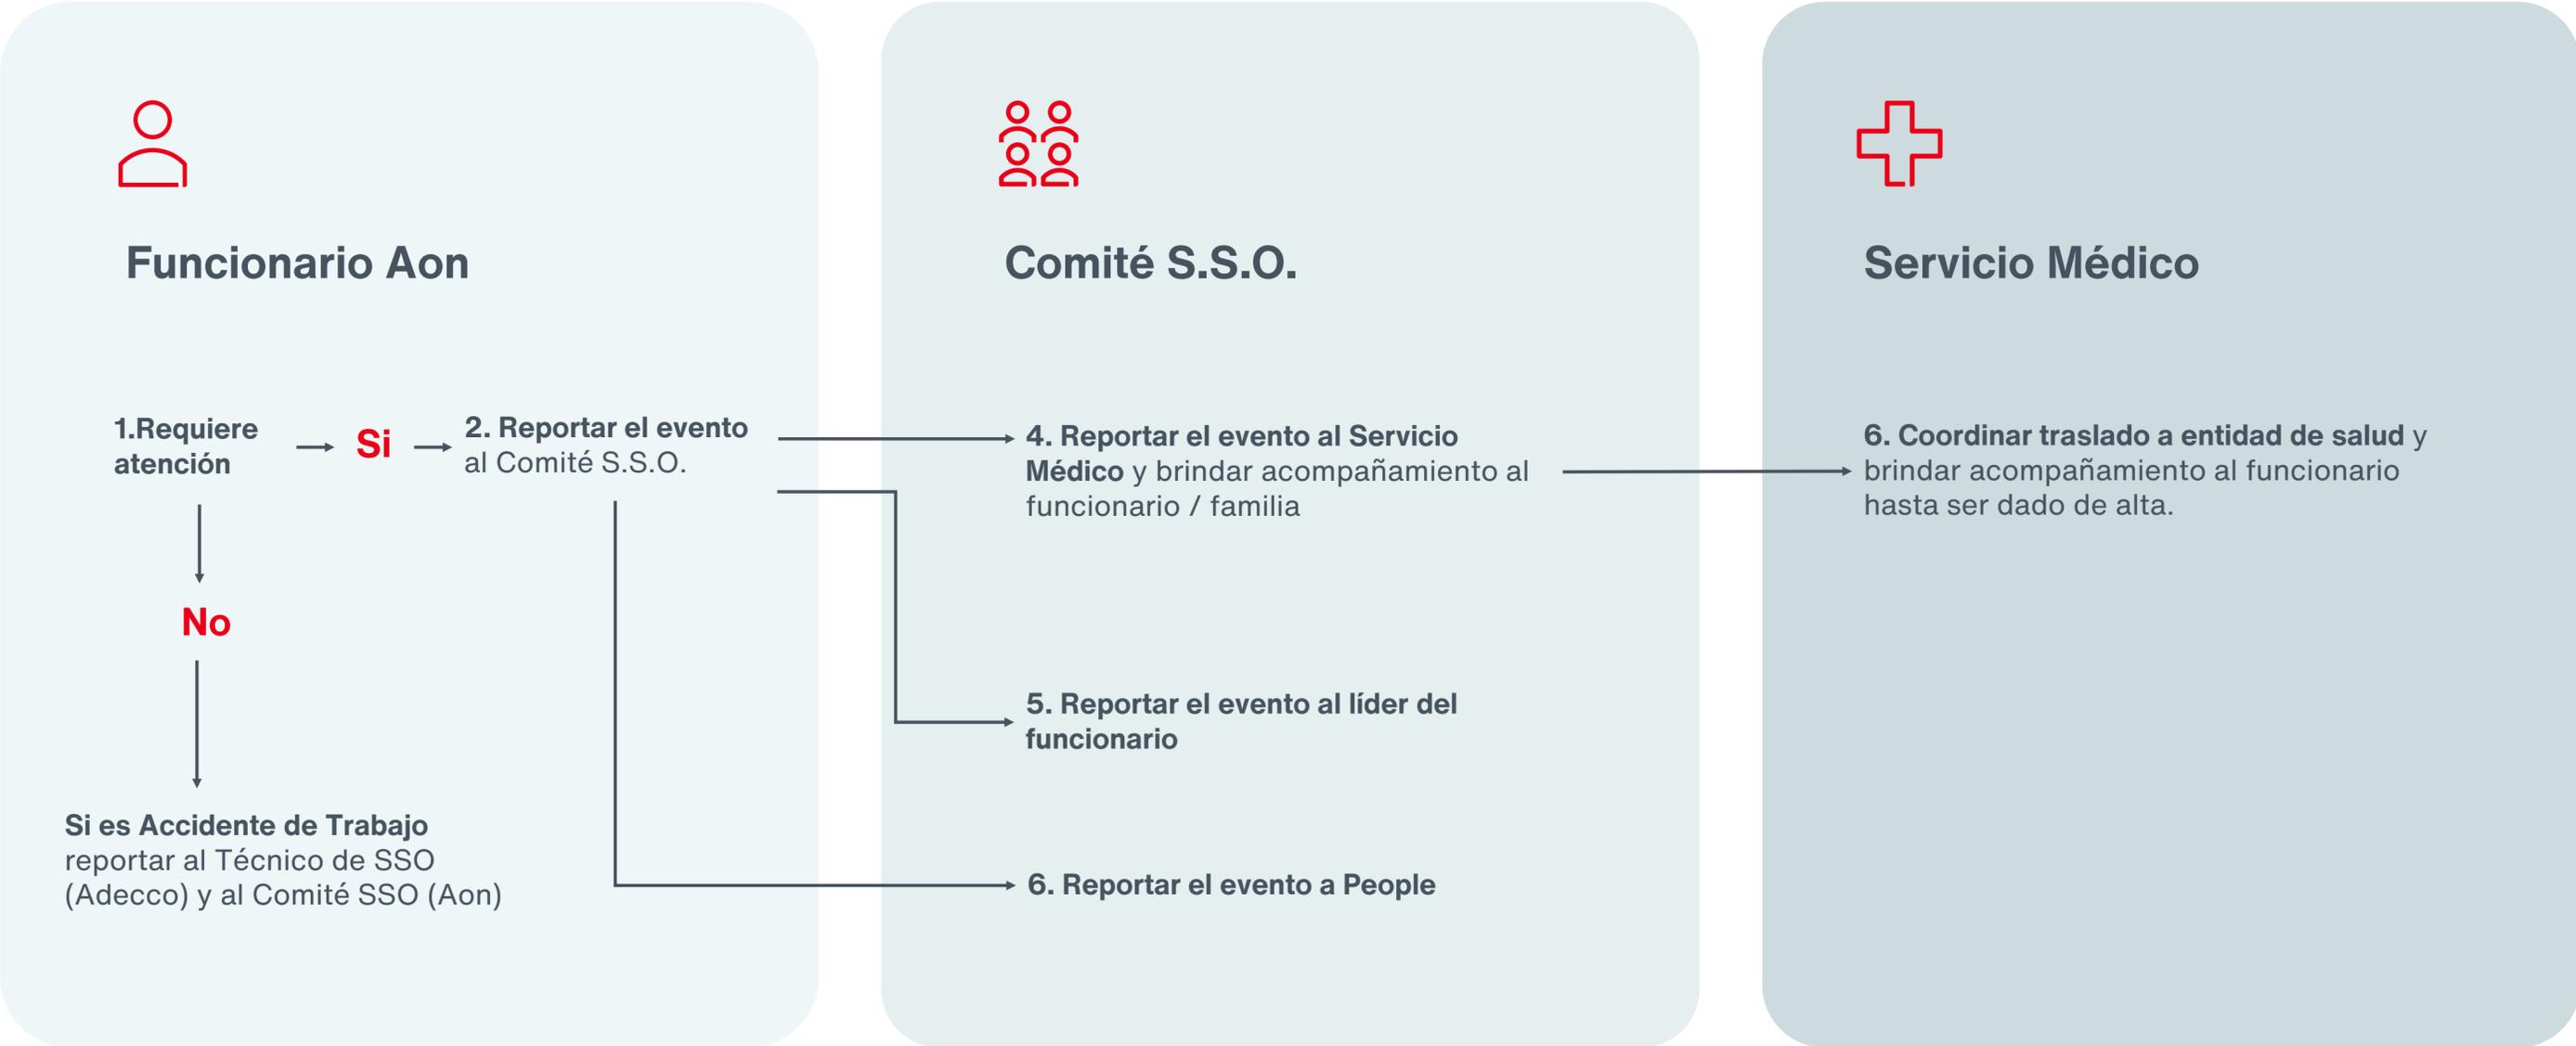

An aerial photograph of a warehouse floor. In the center, a worker in a white hard hat and orange safety vest is pushing a yellow pallet jack. The pallet jack is carrying a large pallet of white, cylindrical containers. To the right, two other workers in white hard hats and orange safety vests are kneeling on the floor, looking at a tablet. The background shows rows of wooden pallets stacked with various goods, including more white containers. The floor is a light-colored concrete.
